STYLE EXHIBITION

COLUMBIA, SC, APRIL 14, 2011 – APRIL 16, 2011: 3JAY PRODUCTIONS announces its 4th Annual Style Exhibition. This year's theme is entitled "Über-hawt", which will be high energy with a combination of ready-to-wear and avant-garde designer pieces. We are currently casting for creative and innovative hair stylists and make-up artists; whether freelance, student, salon or agency based. We are seeking talent throughout the Southeast and request that all inquiries are received by January 21, 2011. Additionally, we are also soliciting the assistance of event photographers. Those with press credentials will be given preference but we are open to all talents. A press application must be submitted for approval by January 30, 2011 in order to be considered as a photographer. Lastly, an event of this magnitude will take several hands behind-the-scenes to keep the excitement in motion! As such we are seeking volunteers of all sorts; this would be great experience for those who aspire to be in the fashion, beauty and/or entertainment industries.

To participate on these or any other level please visit the website, download the corresponding application and submit it by the appropriate deadline. This will be an event you definitely do not want to miss! To find out more about 3Jay Productions and the annual, *Style Exhibition* please visit: www.3jay-styleexhibition.com
